

MD. ZAKARIA

WEB DEVELOPER

Halishahor, Chittagong | zakariazak13913@gmail.com | +880 161 779 5980

SUMMARY

Highly motivated Full-Stack Web Developer skilled in building responsive, database-driven applications using JavaScript, React, Node.js, and Java. Experienced in developing REST APIs, working in Agile teams, and integrating AI solutions. Quick learner with strong problem-solving skills and hands-on experience across multiple full-stack projects.

PROFESSIONAL SKILLS

Design Understanding Problem Solving
Team Collaboration Visual Design
Customer Communication Fast Learning

TECHNICAL SKILLS

HTML, CSS, JavaScript, React, Node.js, Express,
Java, MySQL, Firebase, REST APIs, Git, Postman,
VS Code, Figma (basic), 8086 Assembly

PROJECTS

Full-Stack E-Commerce Platform

2024

Built a complete e-commerce web application with product listings, cart, and user authentication.
Developed RESTful backend APIs using Node.js and Express, connected to a MySQL database.
Built a dynamic, responsive React frontend with session and cart state management.

AI Health Diagnosis Assistant

2025 - Present

Building a web app that analyzes user-input symptoms and uploaded doctor reports for preliminary diagnosis.
Integrating an AI model via API to generate contextual, structured diagnostic responses.
Designing an accessible, responsive UI focused on clarity for non-technical users.

Radar Defence System — EMU 8086

2025 - Present

Developing a microprocessor-level simulation that detects and classifies targets in real time.
Implementing target identification routines in 8086 assembly within the EMU8086 environment.

EXPERIENCE

Full-Stack Developer (Academic Role)

2023 - Present

Designed and developed multiple full-stack web applications across coursework and self-directed projects.
Integrated frontend interfaces (HTML, CSS, React) with backend using Java, Node.js, and MySQL/Firebase.
Participated in code reviews and collaborative development following iterative delivery practices.

Customer Service Officer — Genex Infosys • Banglalink

Oct 2022 - Feb 2023

Handled high-volume inbound customer calls, resolving service and billing queries under SLA pressure.
Maintained consistent quality scores while managing complex customer escalations.

EDUCATION

B.Sc. in Computer Science & Engineering

2023 - 2026 (Expected)

International Islamic University Chittagong (IIUC) CGPA: 2.75 / 4.00
Ranked actively in coursework and coding activities.
Completed projects in full-stack web development, AI integration, and systems programming.
Active participant in coding activities and technical coursework.

ADDITIONAL INFORMATION

Languages: Bengali (Native), English (Professional)
